CLINICAL NURSE SPECIALIST PROFESSIONAL DEVELOPMENT FOCUS NEWTOWN LOCATION

Mary Potter Hospice is proud to be regarded as one of Wellington's most loved and trusted charities. For over 35 years, the Hospice has been caring for people and their family/whanau. We are a great place to work; we offer excellent working conditions, together with a friendly and motivated team environment.

Growing and supporting the development of our staff is highly valued by the Hospice. This challenging and exciting job share position is a great opportunity for a capable and dedicated professional with expertise in palliative care and a strong interest in training needs analysis, mentoring and professional development of staff working in inpatient and community services.

You will be expected to:

- Develop staff to have an appreciation of the patient-focused approach to specialist palliative care
- Provide oversight to orientation and ongoing education based on individual staff developmental requirements and changing operational needs
- Provide professional supervision
- Maintain currency of knowledge and research in nursing practice within palliative care
- Maintain clinical practice
- A commitment to ongoing personal professional development

You will possess appropriate post graduate qualifications with extensive experience in palliative care and be able to demonstrate effective written and verbal communication skills and excellent interpersonal skills.
