

Registered Nurse – IPU

0.6 – 0.8 FTE

Hibiscus Hospice provides specialist care for people in our community with any type of advanced, progressive disease that no longer responds to curative treatment. This improves the quality of life for patients and families, through the prevention and relief of suffering, pain and other symptoms; physical, psychological, social and spiritual.

The Role

On our busy In-Patient Unit we have capacity to take 6 patients. The unit is dynamic and progressive, providing symptom management, respite and end-of-life care for patients with a wide range of diagnoses and at different stages of their disease trajectory.

Working alongside other members of the hospice's multi-disciplinary professional team, our nurses take pride in delivering care to an extremely high standard with a 'can do' attitude.

About You

You will be an experienced Registered Nurse who is passionate about working with patients and families with Palliative Care needs. Working as part of a Multi-Disciplinary Team, you will be involved in holistic care of patients and their families.

You will have:

- A current NZ Annual Practising Certificate
- Postgraduate Certificate/Diploma or desire to work towards the specialism of palliative care and with appropriate nursing experience required to fit this post
- Commitment to achieving PDRP Level 3 within 6 months of employment
- Experience in Palliative Care/Oncology
- Excellent communication and interpersonal skills

As a new member of our nursing team you will be fully supported, whilst gaining essential knowledge and skills in specialist palliative care in a challenging and rewarding environment.

Work as part of a rotating 24/7 roster. Preference will be given to applicants happy to work permanent nights.

Closing Date: Friday 4th August, 2017
