

**Experienced Palliative Care Registered Nurses
1 x 0.8FTE minimum vacancy
& 1 x casual vacancy**

a unique environment – a privileged role

Our nursing team are dedicated professionals with considerable expertise. We're looking for two talented, compassionate palliative care registered nurses to join our team. One vacancy is a casual position (as and when required), and the other is a 0.8FTE (minimum).

This is your opportunity to be part of something special; to use your skills to make a tangible difference to someone's life and that of their families.

Some things are an absolute must – a current annual practising certificate, and a full driver's licence. A post grad certificate in palliative care is desirable. Must be a NZ resident.

Working in a hospice environment is an incredibly rewarding career option. Keen to know more? We'd love to hear from you.
