

Registered Nurse, IPU – Hospice North Shore

0.8 – 0.9 FTE

Hospice North Shore is a specialist hospice and palliative care service which has been providing quality, professional and dedicated care to patients and families for over 30 years. The hospice is committed to a forward thinking and innovative approach to service development and collaboration.

About the Role

On our busy in-patient unit we have capacity to take 9 patients. The unit is dynamic and progressive, providing symptom management, respite and end-of-life care for patients with a wide range of diagnoses and at different stages of their disease trajectory.

Working alongside other members of the Hospice's multi-disciplinary professional team, our nurses take pride in delivering holistic care to our patients and their families.

About You

You will be a Registered Nurse who has experience working in a palliative care setting. This is a unique time in people's lives, so you will have a real passion for working with patients and families with palliative care needs.

You will have:

- A current NZ Annual Practising Certificate
- Postgraduate Certificate/Diploma or desire to work towards the specialism of palliative care and with appropriate nursing experience required to fit this post
- Commitment to achieving PDRP Level 3 within 6 months of employment
- Experience in Palliative Care/Oncology
- Excellent communication and interpersonal skills

As a new member of our nursing team you will be fully supported, whilst gaining essential knowledge and skills in specialist palliative care within a challenging and rewarding environment.
