

**Registered Nurse - Community Palliative Care Team**  
**0.8 to 0.9 FTE**

**We are passionate about the care we provide our patients, carers and families and need someone who shares in this passion! Is this you?**

Hospice North Shore is a specialist hospice and palliative care service which has been providing quality, professional and dedicated care to patients, carers and families for over 30 years. We are part of the wider Northern Hospice Alliance with Warkworth Wellsford and Hibiscus Hospice's, which provides further opportunities for growth and development.

The hospice is in a period of exciting growth and is developing services to meet the future needs of our community.

**About the Role**

As a Registered Nurse in our Community Palliative Care Team (CPC), you will work alongside other members of the hospice's multi-disciplinary team to provide specialist nursing care and support for patients, carers and their families in the community.

As part of this role you will also provide specialist palliative education and support to further develop the palliative care capabilities of the healthcare workers within the community.

**About You**

You will be a Registered Nurse with experience in palliative care, oncology or district nursing who is passionate about working with palliative care patients, carers and their families.

While you will be working as part of a team, you will be expected to work autonomously as a practitioner within patient's homes and in other healthcare facilities.

You will have:

- A current NZ Annual Practising Certificate
- Postgraduate Certificate/Diploma or desire to work towards the specialism of palliative care and with appropriate nursing experience required to fit this post
- Commitment to achieving PDRP Level 3 within 6 months of employment
- Experience in Palliative Care/Oncology
- Excellent communication and interpersonal skills
- Current New Zealand Driver Licence
- Right to work in New Zealand

We are a learning organisation and offer support to staff with education and professional development as well as clinical supervision and opportunities to continually develop their careers.
