

Nursing Team Leader

Are you an enthusiastic clinician leader capable of inspiring teams to provide the very best in individualised care? Looking for an enviable lifestyle in a spectacularly beautiful part of the world?

A new permanent opportunity has arisen for a Nursing Team Leader to join our dedicated team working 32 – 40 hours per week. With your proven leadership skills and qualified nursing background you will be responsible for the delivery of high quality specialist palliative care for Hospice Southland patients and their families.

By being motivated and organised you will deliver high level operational support in the day to day running of the IPU and community teams and actively participate in the development and implementation of the all service delivery policy and procedures. In addition to your management responsibilities this is a unique and exciting position where you will also have a clinical role in triage and by working alongside our teams.

Highly motivated you will have the drive and energy that delivers on strategies and leads positive change whilst focused on quality and strengthening patient services. Passionate about developing people you will also be involved in clinical education, mentoring, coaching and career progression planning for our exceptional nursing colleagues to contribute to the continued growth and development of the palliative care nursing team.

Hospice Southland is the only Palliative Care Specialist Provider for the region of Southland and we are extremely passionate about the opportunity we have to provide the very best care for our patients and their families. We take huge pride from the strong community support we receive which ensures we are empowered to bring this reality.

For those who are not in the know Invercargill is the capital of Southland which boasts multiple leisure opportunities as well as excellent educational and sporting facilities. In Southland you will be able to live in a community dedicated to excellence in family focused lifestyle. Access to world class outdoors environment is second to none for those keen to experience nature at its best, be it world heritage walks or globally recognised brown trout fisheries, the wineries of Central Otago or

the ski fields in Queenstown, there is something for everyone. This is a lifestyle opportunity not to be missed.
