

Clinical Team Leader

An exciting opportunity has arisen for a Clinical Team Leader at Lake Taupo Hospice. The primary function of this role is to provide clinical and operational leadership for the effective delivery of Lake Taupo Hospice clinical services. The Clinical Team Leader will provide leadership for the nursing and family support teams and actively promote the delivery of high quality palliative care. As part of the leadership team at Lake Taupo Hospice, the Clinical Team Leader will be actively engaged in promoting and implementing the Strategic Directions Plan and the Annual Business Plans. They will be responsible for managing the Clinical Team within budget and overseeing clinical education and clinical staff professional development and performance.

We are looking for that special someone who is passionate about palliative care and nursing and has proven success in managing palliative care clinical staff and resources within a budget. The role is suited to a New Zealand Registered Nurse with a high degree of competency in the theoretical and practical application of palliative care nursing and family support services, who can demonstrate expert utilisation of this knowledge in implementing and advising on the holistic care of patients and their family/whānau.

To be the right fit for this role and our organisation it is expected you would bring:

- Strong and proven clinical leadership experience in the delivery of palliative care
- Proven success in managing clinical staff
- An expert level of practice within palliative care
- A tertiary qualification in palliative care or related field
- Evidence of your commitment to growing your own skills and capabilities, as well as those who report to you
- Proficiency in the use of computers and digital technology
- Self-motivation, enthusiasm and leadership skills
- Emotional maturity and resilience
- Demonstrated passion in engaging with your whole community

This is a full time permanent role.
