

Tēnā koutou katoa

**We're excited to release the [hōtaka | programme](#) for Whetū i te Rangi**

Mary Potter Hospice's [Whetū i te Rangi Symposium on Monday 3 May 2021 at Museum of New Zealand Te Papa Tongarewa](#), will identify ways to improve access, choice and equity for tangata Māori towards the end of life and in bereavement.

Whetū i te Rangi will highlight current work and research occurring in palliative care with Māori across Aotearoa. We will explore new resources and tools available to both the sector and whānau. You will hear from rangatahi, kaumātua, whānau, clinicians, researchers and specialists.

If you have a focus on end-of-life issues, Māori wellbeing and Māori health, please save the date, share with your networks and colleagues and join us. Nau mai, haere mai.

***Scholarship applications closing date has been extended until Thursday 25 March 12pm.***
