

Community Specialist Palliative Care, new service - Nurse Lead

The Opportunity

Kia mau kit e tokanga nui-a-noho -There is no place like home. For palliative patients and their families this whakataukī is all too true.

Korowai Care at home: Bringing increased intensity of care directly into the home when its needed.

Our goal is to increase specialist services at home to reduce unnecessary hospital admissions and ensure people can die with the level of care they need at home.

This new and unique role needs an individual who wants to lead, facilitate and deliver an exciting new specialist palliative care service.

Collaborating closely with a highly experienced Clinical Management team together you will be implementing an innovational new service.

About You

As a CNS level Palliative Care Nurse you have a passion and interest in holistic patient centred care. You can experience the freedom of a balanced portfolio of implementing, practicing and reviewing as you roll out and deliver this new service.

Managing, coaching and leading a small team of palliative care nurses and HCAs, working with a professional inter-disciplinary Community Palliative Care team, providing complex symptom management and/or end of life care directly in a persons home.

Benefits for you

An exciting opportunity to:

- To lead and implement an innovational new service in Specialist Palliative care
- Be part of a passionate and experienced clinical team
- Provide care direct to patients in the community
- Coach and support other nurses and HCAs providing care in the community
- Competitive salary
- Free on street parking

In our most recent staff pulse,100% of our people said they enjoy their work and take pride in what they do at Hospice West Auckland.

About us

Our Hospice is based in the Waitakere Ranges foothills. Our beautiful rugged coastline and tranquil native bush all lay a foundation for a community of diverse cultures and people. Together we weave and form the wonderful community that is West Auckland.

We provide compassionate palliative care for our communities, we are accountable to deliver the very best, we are respectful of all that holds true in life, we look for new and innovative ways in all that we do.

Pokohiwi Ki Te Pokohiwi - shoulder to shoulder, we walk alongside our patients and their families.

We are westies helping westies
