

Specialist Palliative Care Nurse - Community

Hospice West Auckland

Auckland

Waitakere & West Auckland

0.8-1FTE

For over 30 years Hospice West Auckland has been providing specialist palliative care within West Auckland in the community and at our onsite facilities. Demand for services, including clinics and enhanced community programmes, continues to grow alongside our well established community services.

We currently have a 0.8 or 1.0 FTE opportunity for an experienced, dedicated and caring registered nurse who is passionate about holistic palliative care for this community nursing role.

This may be a golden opportunity for you to experience the rewards afforded by practicing in the community while working alongside an experienced and well established team of dedicated professionals providing quality, holistic, personalised care for patients and families in West Auckland.

Hospice West Auckland offers a unique opportunity for on-job training, support from a great team of Specialist Doctors and Medical Officers and a well-established community Health and Social Care team. Our community office is a pleasant environment, ten minutes from Auckland City (travelling against the traffic) with free on road parking. There are options for working Monday to Friday, either day shifts or afternoon shifts to miss the traffic, home visiting and rostered weekend on call.

To be considered, you will need to:

- Hold current New Zealand Nursing registration
- Hold or be prepared to work towards completion of a Level 3 PDRP nursing portfolio or above
- Minimum of 3 years registered nursing experience in a hospice or related field of nursing, e.g. gerontology, oncology, haematology or district nursing (others considered) with a demonstrated passion and interest in Palliative Care
- Be an excellent communicator to all people with demonstrated expertise in developing rapport with diverse peoples
- Be open, curious, encouraging, resilient and professional in nature

- Experience of working in palliative care and/or a community setting preferred
- Be prepared to undertake further study in this specialism

Applicants for this position must already be in New Zealand, with rights to work and a full and unrestricted NZ drivers licence.
