

## Registered Nurse - Community Palliative Care Team

**Location:** Takapuna

**Full & Part-Time hours available**

### About us:

Harbour Hospice strives to provide quality end of life care until death for everyone within our communities based across the North Shore, Hibiscus Coast & Warkworth/Wellsford. We pride ourselves on being a values-based organization who aim to express our mission through our core values – compassion, inclusive & professional.

### About the Role:

We have both full and part-time opportunities for an experienced Registered Nurse to join our Community Palliative Care team at our Hospice in Takapuna. You will be responsible for providing symptom management and end-of-life care for community-based patients with a wide range of diagnoses and at different stages of their disease trajectory.

Working alongside other members of the Hospice's multi-disciplinary professional team, our nurses take pride in delivering holistic care to our patients and their families.

Covid forced us to change the way we work and our Community Nursing Team have embraced our new way of working, we provide the flexibility to start the some of their working days at home enabling our Nurses to make the most of their working hours and not waste time sitting in morning traffic.

### About You:

You will be a Registered Nurse with palliative care experience from another Hospice, Hospital or Community based setting. This is a unique time in people's lives, so you will have a real passion for working with patients and families with palliative care needs.

### You will have:

- A current NZ Annual Practicing Certificate
- Postgraduate Certificate/Diploma or desire to work towards the specialism of palliative care and with appropriate nursing experience required to fit this post
- Commitment to achieving PDRP Level 3 within 6 months of employment
- Excellent communication and interpersonal skills
- Full, clean New Zealand Driver's License

### What's in it for you:

This is truly a unique opportunity to make an amazing difference to the lives of our patients and their families at a time when they need it most set in the environment that means so much to them, their own home. You will be an important part of a well-established, supportive and dedicated multidisciplinary team who share a passion for making every moment count for the people we care for at Hospice.
